## THE CHAIR'S OPENER

*It is mid-February, and as I begin the preparation of these handbook notes, today we have sunny intervals, a rare luxury after many weeks of non-stop rain. A close neighbour can be heard mowing his lawn, and let us hope that as we inch towards Spring this semi tranquillity continues, and so enables our clubs to do their vital work in readiness for a prompt start to the new season.*

*In looking forward to the new season I am delighted to announce that local company, Walker Timber and Fencing Centre Ltd have agreed to become our new league sponsors, in what we hope will be a long and mutually beneficial association.*

*The winter months have been a busy time for the Executive as we continue on our journey towards becoming accredited as an ECB Premier League. I must take this opportunity to thank our clubs for the way in which they have undertaken the challenge of gaining Clubmark Accreditation. At the time of writing 22 clubs have achieved Clubmark status with several more in the final stages. We now move on towards the challenge of ensuring our top clubs meet the ECB criteria of double sightscreens, with the process already underway. I must take this opportunity of thanking Jackie Brook for all her hard and intelligent work in her role as Compliance Officer.*

*Last season was of course played under a new format of a 12 club Premiership; a more autonomous seven division system; earlier start times and a reduced number of overs in the lower divisions. Generally, all these changes were well received although of course you cannot please all the people all of the time. On the whole it was a very competitive season with many of the issues not being decided until the final two weeks of the season.*

*Pride of place last season must go to Moorlands, who ended six years of dominance by Hoylandswaine in winning the Premiership by a margin of 29 points over second placed Skelmanthorpe. They also reached the finals of both the Sykes Cup and T20 Trophy, whilst their 2<sup>nd</sup> XI triumphed in Alliance2. However, it is also fair to say that many enjoyed a tremendous Sykes Cup Final, as an unfancied Broad Oak side comfortably overcame a strong Moorlands team, in a victory owing much to contributions from Cameron Todd and skipper Fletcher Coutts.*

*A sad ending to the season was the demise of the once powerful Elland club, who had struggled to maintain their position of eminence for several years. Moving on we now welcome newcomers Denby Grange, who join us from the Pontefract League. We hope their time with us will be both long and enjoyable.*

*So, as we count down the weeks to a new season and continue to embrace change, we are increasingly viewed as a modernising league with Jamie Harrison's Podcasts listened to and admired by many, whilst we learn that there is more Women and Girls cricket played in Huddersfield than anywhere else in the County.*

*Finally, may I offer my customary best wishes to all our players; officials and supporters for what promises to be a very competitive season.*

*Trevor Atkinson*

# **THE LAWS OF CRICKET (2017 Code)**

## **THE PREAMBLE – THE SPIRIT OF CRICKET**

Cricket owes much of its appeal and enjoyment to the fact that it should be played not only according to the Laws, but also within the Spirit of Cricket.

***The major responsibility for ensuring fair play rests with the captains, but extends to all players, umpires and, especially in junior cricket, teachers, coaches and parents.***

**Respect** is central to the Spirit of Cricket.

- ***Respect.***
  - your captain
  - your team-mates
  - your opponents
  - and the authority of the umpires.
- ***Play hard and play fair.***
- ***Accept the umpire's decision.***
- ***Create a positive atmosphere by your own conduct, and encourage others to do likewise.***
- ***Show self-discipline, even when things go against you.***
- ***Congratulate the opposition on their successes, and enjoy those of your own team.***
- ***Thank the officials and your opposition at the end of the match, whatever the result.***

*Cricket is an exciting game that encourages leadership, friendship and teamwork, which brings together people from different nationalities, cultures and religions, especially when played within the Spirit of Cricket.*

## **APPENDIX**

### **ECB DIRECTIVES**

All the following ECB directives must be enforced in all matches organised by the Drakes Huddersfield Cricket League. Age group qualifications to be based on the age of the player as at midnight on 31st August in the year preceding the current season.

#### **a) FAST BOWLING MATCH DIRECTIVES**

For the purpose of these directives, a fast bowler should be defined as a bowler to whom a wicketkeeper, in the same age group, would in normal circumstances stand back to take the ball.

Age Group.	Max overs per spell	Max. overs per day
Up to 13	5	10
U14, U15	6	12
U16, U17, U18, U19	7	18

#### **b) CLOSE FIELDING REGULATIONS**

The following are minimum fielding distances for young players in all matches where a hard ball is used.

No young player in the **Under 15 age group or younger** shall be allowed to field closer than **8 yards** (7.3 metres) from the middle stump, except behind the wicket on the off side, until the batsman has played at the ball.

For players in the **Under 13 age group and below the distance is 11 yards** (10 metres). These minimum distances apply even if the players is wearing a helmet.

Whilst it is the Captain's responsibility to apply these regulations, should a young player come within the restricted distances the Umpires must stop the game immediately and instruct the fielder to move back.

In addition any young player in the **Under 16 to 18 age group who has not reached the age of 18 must wear a helmet, and for boys an abdominal protector (box) when fielding within 6 yards** (5.5 metres) of the bat, except behind the wicket on the off side. Young players should also wear protective equipment whenever they are fielding in a position at which they feel at risk.

#### **c) SAFETY GUIDANCE ON THE WEARING OF CRICKET HELMETS BY YOUNG PLAYERS UP TO THE AGE OF 18**

Helmets with a faceguard or grill should be worn when batting against a hard ball in both matches and practice sessions.

Young players should regard a helmet with a faceguard as a normal item of protective equipment when batting, together with pads, gloves and, for boys, an abdominal protector.

Young wicketkeepers should wear a helmet with a faceguard, or a wicketkeeper face protector when standing up to the stumps.

British Safety Standard: The latest British Safety Standard is BS7928:2013 (for both adults and juniors). The full list of helmets meeting this standard is available at [www.ecb.co.uk/helmets](http://www.ecb.co.uk/helmets). For wicket-keeping face protectors the relevant British Safety Standard is BS7929-2:2009 (again, for both adults and juniors).

*Parental consent not to wear a helmet must not be accepted in any form of cricket.*

## **ECB Guidelines for Junior Players in Open Age Group Cricket**

The ECB has issued guidance covering the selection and participation of young players in open age group cricket. This is to help clubs decide when to select young players in open age group cricket and how best to help their cricketing development when they play within open age groups. The guidance applies to boys and girls. The ECB keeps these guidelines under review and, following feedback from clubs and leagues, has revised these guidelines for the 2014 season. The ECB will continue to monitor the impact of these guidelines and you are invited to feedback your thoughts and comments in writing to the ECB Non-First Class Cricket Department.

### **The guidance is as follows:**

#### **General**

- Making the step up from junior to open age group cricket is a significant event in any player's cricket experience. Ensure the player's safety, personal development needs and overall cricket experience are considered.
- Clubs, squad coaches and managers must take into account the requirements on age detailed in this guidance.
- Each case is to be determined on an individual basis, depending on the player's ability and stage of cognitive and emotional maturity to take part at this level – however, the minimum age guidance provided below must be adhered to.
- Juniors should be involved in all aspects of the game wherever possible i.e. socialising, team talks, practice, decision making and so on, so they feel part of the team.
- Children will often feel more comfortable and able to perform if they have a family member or friend also playing in the side.
- Remember, children's early experiences will remain with them always and will often determine whether they want to remain playing the game or give up and do something else.
- Provide an opportunity for players to show their talents in an appropriate way. Children who are just used as fielders will not fully experience the game.
- Be supportive, at all times, for all forms of effort even when children are not successful. Try and put them in situations where they will experience some success (however small) and ensure plenty of praise and encouragement
- The captain should inform the Umpires of under 18s in the side.

#### **Cricket specific safeguarding guidance:**

##### **Restrictions:**

ECB Helmets, Fast Bowling Directives and Fielding Regulations should always be adhered to for junior players in Open age group cricket.

## **Minimum age to play (or act as a substitute\*)**

Players who are selected in a County U12 squad in spring for a summer squad or in another squad deemed by ECB Performance Managers to be of a standard above 'district level' for that season are eligible to play Open age cricket.

This is providing they are at least 11 years old, are in School Year 7 on 1st September in the year preceding the season, and have written parental consent to play. In allowing these players to play in open age cricket it is essential clubs and coaches recognise the 'duty of care' obligations they have towards these young players.

This means boys and girls who are county squad and area squad players, are able to play open age group cricket if they are in an U12 age group and are a minimum of 11 years old on 1st September of the year preceding the season.

District and club players who are not in a county or area squad must wait until they reach the U13 age group, be in Year 8 and be 12 years old on 1st September of the preceding year before being able to play in any open age group cricket. As before written parental consent is required for these players.

*The duty of care should be interpreted in two ways:*

- Not to place a young player in a position that involves an unreasonable risk to that young player, taking account of the circumstances of the match and the relative skills of the player.
- Not to create a situation that places members of the opposing side in a position whereby they cannot play cricket as they would normally do against adult players.

In addition, the guidelines note the need for clubs and leagues to recognise the positive experience young players should have in open age cricket. Clubs should provide an opportunity for players to show their talents in an appropriate way.

L8.18.5 Any revised 1<sup>st</sup> innings total should be posted on the scoreboard, and checked by the umpires before play commences.

L8.18.6 The game is automatically abandoned when the total number of overs available for the 2<sup>nd</sup> Innings drops below 20 overs (provided a result has not previously been reached).

36-34 overs	11 overs	20-17 overs	6 overs		

C4.5.3 For each over following the fifteenth over (or revised power play over), a minimum of 4 fielders (plus the bowler and the wicketkeeper) must be inside the fielding at the instant of delivery. In the event of any infringement the umpire at square leg shall call and signal "no ball".

C4.5.4 At the instant of delivery there shall be no more than 5 fielders on the leg side. In the event of any infringement the umpire at square leg shall call and signal "no ball".

#### **C4.6 NUMBER OF OVERS PER BOWLER:**

C4.6.1 Each bowler shall be allowed to bowl a maximum of 10 overs.

C4.6.2 In the event of a bowler breaking down and being unable to complete an over, the remaining balls will be allowed by another bowler. Such part of an over will count as a full over only in so far as each bowler's limit is concerned.

C4.6.3 Maximum overs allowance per bowler in a delayed or interrupted match:

C4.6.3.1 Where overs are reduced for either team, no bowler may bowl more than one-fifth of the total overs allowed. Where the total overs are not divisible by 5, one additional over shall be allowed to the maximum number per bowler necessary to make up the balance.

C4.6.3.2 Any incomplete over at the time of a stoppage due to inclement weather, must be completed by the same bowler at the restart of play, even though this could take him beyond any newly calculated maximum overs per bowler.

#### **C4.7 THE RESULT:**

C4.7.1 The team making the higher score in each tie shall be the winners, irrespective of the number of wickets lost.

C4.7.2 If the scores finish level the winners shall be the team who has lost the least number of wickets per over. Note that injured or absent players are wickets lost only in the case of a team being all out or declaring their innings closed.

C4.7.3 If both teams have lost the same number of wickets per over the winners will be decided by a 'bowl out', organised by the umpires and using the procedure below in Rule C4.8.

C4.7.4 If in exceptional circumstances, the umpires deem it impractical to conduct a bowl out the winner shall be decided by the toss of a coin.

#### **C4.8 BOWL OUT PROCEDURES:**

- C4.8.1 The umpires shall arrange a suitable site and oversee the bowl out.
- C4.8.2 The captains shall nominate their five bowlers and the order of bowling. They must then inform each other and the umpires prior to the toss. In the event of injury during the bowl out, the injured player may be replaced by another bowler, but not one of the previously nominated five.
- C4.8.3 The captains shall toss a coin for the right to decide which team bowls first in the bowl out.
- C4.8.4 Wicketkeepers must stand at least 5yards behind the stumps.
- C4.8.5 Each delivery should be fair and must pitch in front of popping crease.
- C4.8.6 If a bowler bowls a 'wide' or a 'no ball' it will count as a miss with no re-bowl permitted.
- C4.8.7 The umpires must take up positions as in a normal game. The umpire at square leg will be responsible for ruling on the bounce of the ball.
- C4.8.8 All bowlers, except the one who is next to deliver, must take up a position by the square leg umpire. All other players must be clear of the playing area, and as instructed by the umpires.
- C4.8.9 The nominated bowlers from each side will then bowl one delivery over-arm. This will be done alternatively following the order of bowling as given before. A dislodged bail will constitute a hit.
- C4.8.10 The side which bowls down the wicket most times shall be the winner.
- C4.8.11 If the scores are level after all 5 players have bowled, the 'bowl out' will continue until a result is achieved on a 'sudden death' basis using the same 5 bowlers in the same order.

The playing pitch shall be sited as near as possible to the centre of the ground, that may not necessarily be the centre of the playing square, as ground conditions will allow.

### **TT4.2 FIELDING ZONE:**

A fielding zone shall be drawn on the field of play. This shall consist of two semi circles having as their respective centres each middle stump and joined by a parallel line on each side of the pitch.

The radius of each of the circles shall be 30 yards but where any part of this zone would impinge within 5 yards of the boundary line then it shall be drawn at that limitation. The perimeter of the fielding zone shall be marked by a series of white discs which, to maintain uniformity, shall be purchased from the League.

### **TT4.3 MATCH BALLS:**

Each team shall use its own new pink ball, of a brand and grade approved by the Executive, and purchased from the League. Spare balls should also be pink, and although not new, should be approved by the League, and of acceptable quality.

### **TT5.1 MATCH CONDUCT:**

All matches shall be conducted in accordance with the Laws of Cricket, including the Spirit of Cricket and all ECB Directives, Guidelines & Regulations, with the exception of MCC Law 42.1.4 where the batsman at the wicket may deputise for their captain, except as otherwise provided by this Rule.

### **TT5.2 THE TOSS:**

Captains shall toss for the choice of innings ten minutes before the scheduled start of the tie, and if a team is unable to toss at this time it shall forfeit the right of that choice.

### **TT5.3 LENGTH OF INNINGS:**

TT5.3.1 In an uninterrupted tie each team shall bat for 20 complete overs unless all out earlier or a result is reached.

TT5.3.2 There shall normally be two sessions of play of one hour and fifteen minutes each, separated by an interval of ten minutes.

### **TT5.4 OVER RATE PENALTY:**

*TT5.4.1 Should the bowling team fail to complete the scheduled 20 overs in the time allocated of one hour and fifteen minutes, of actual playing time (any time lost due to injury or other unforeseen incidents are not to be included as playing time), from the start of the next new over a minimum of five fielders (plus the bowler and the wicketkeeper) must be inside the fielding zone for the remainder of the innings.*

TT5.4.2 If the innings is interrupted, as specified in Rule TT5.6 the over-rate penalty shall apply based on the re-scheduled cessation time for that innings. The time allowed shall be reduced by 7 minutes for every two overs deducted.

### **TT5.5 THE INTERVAL:**

Between innings, and at the request of the captain of the team batting second, the host club shall be responsible for the sweeping and rolling of the pitch and the remarking of the creases.

### **TT5.6 DELAYED OR INTERRUPTED TIES:**

#### **TT5.6.1 DELAYED START:**

TT5.6.1.1 For a delayed start 1 over per side will be deducted for every 6 minutes lost up to a **minimum of a 5 overs per side match**. This shall not apply in the Final unless the tie cannot be completed within the agreed time frame.

TT5.6.1.2 In circumstances where, before the commencement of play, the prospect of inclement weather or bad light is a consideration umpires may reduce the number of overs as above.

#### **TT5.6.2 INTERRUPTED GAMES:**

##### **TT5.6.2.1 Time Lost in the game**

TT5.6.2.1.1 For all interruptions due to ground and/or weather conditions the umpires should note the time lost during any suspension period.

TT5.6.2.1.2 In a GROUP GAME interrupted by ground and/or weather conditions the Duckworth Lewis Stern method

shall be implemented. THERE SHALL BE NO WAIVER TIME. The amount of time lost in each suspension period to be known as "relevant time lost", shall determine a revision to the number of overs remaining in the game.

TT5.6.2.1.3 In a SEMI-FINAL interrupted by ground and/or weather conditions for MORE THAN 30 MINUTES accumulated time (THE WAIVER TIME) the Duckworth Lewis Stern method shall be implemented. The amount of time lost in each suspension period to be known as "relevant time lost", shall determine a revision to the number of overs remaining in the game.

TT5.6.2.1.4 In the FINAL Rule TT5.6.2.1.3 shall apply, together with any special on-day regulations determined by the Executive.

TT5.6.2.1.5 The umpires shall inform the DLSMM of the number of overs lost during any suspension period before any recommencement of play. The DLSMM will record a new Suspension Period in the PCS App and, if the 1st innings is complete calculate the Revised First Innings Total (RFIT).

TT5.6.2.2 Interruptions in 1<sup>st</sup> Innings:

For every full 6 minutes of any relevant time lost, 1 over shall be deducted from both innings up until the scheduled completion of the first innings. After this, overs will be deducted as in Rule TT5.6.2.3 below.

TT5.6.2.3 Interruptions in 2<sup>nd</sup> Innings:

For every full 6 minutes of any relevant time lost 2 overs shall be deducted from the 2<sup>nd</sup> innings.

TT5.6.2.4 Mid Over interruptions in play:

In a game interrupted in mid over by ground and/or weather conditions and resumption is within the same innings then the over in progress shall continue unless that part over is the only one remaining in the innings. In the latter case that innings shall be closed and if that were the 1<sup>st</sup> innings the length of the 2<sup>nd</sup> innings would be equal to the number of full overs played in the 1<sup>st</sup> innings.

TT5.6.2.5 Any revised 1<sup>st</sup> innings total should be posted on the scoreboard, and checked by the umpires before play commences.

**TT5.7 RESTRICTIONS ON THE PLACEMENT OF FIELDERS:**

TT5.7.1 A fielding zone shall be drawn on the field of play as per RuleTT4.2.

TT5.7.2 "POWER PLAY OVERS":

TT5.7.2.1 For the first 6 overs of each innings only 2 fielders shall be permitted outside the zone at the instant of delivery. In the event of any infringement, the umpire at square leg shall call and signal "no ball".

TT5.7.2.2 In circumstances where the number of overs is reduced for either team, the fielding restrictions shall be as follows:

Total overs in innings	20-19	18-15	14-12	11-9	8-5
Fielding restriction overs	6	5	4	3	2

If on any resumption of play the number of overs for the restrictions has been exceeded, then the above should take effect immediately.

TT5.7.3 For each over following the sixth over, except as in Rule TT5.7.2.2 above, a minimum of 4 fielders (plus the bowler and the wicketkeeper) must be inside the fielding zone at the instant of delivery. In the event of any infringement the umpire at square leg shall call and signal "no ball".

TT5.7.4 At any time during the innings there shall be no more than 5 fielders on the leg side at the instant of delivery. In the event of any infringement the umpire at square leg shall call and signal "no ball".

#### **TT5.8 "TIMED OUT":**

The Law of Cricket 40, timed out, shall apply except that the incoming batsman must be in a position to take guard, or for his partner to receive the next ball, within 90 seconds of the fall of the previous wicket. This amendment shall be strictly applied.

#### **TT5.9 "LEG SIDE WIDE":**

All deliveries passing wide of the leg stump, and outside the line of the batsman's body, that do not come into contact with the bat or any part of the batsman's person, shall be called WIDE.

#### **TT5.10 NO BALL:**

TT5.10.1 The Laws of Cricket 21.15, shall apply except that the **penalty for a no ball shall be two runs.**

TT5.10.2 The delivery following a no ball called for a foot fault (The Laws of Cricket 21.5) shall be a free hit, for whichever batsman is facing.

TT5.10.3 If the delivery for a free hit is not legitimate (no ball or wide) then the next hit also becomes a free hit, for whichever batsman is facing.

TT5.10.4 The fielding team is not allowed to change the field for a free hit, if the same batsman (who received the original no ball) is on strike.

TT5.10.5 For any free hit the striker may only be dismissed under the circumstances that apply for a no ball, even if the free hit delivery is a wide ball. All such penalties are in addition to any runs that may be scored otherwise.

#### **TT5.11 BOWLER'S RUN UP:**

*Bowlers run ups are not restricted. However, players should be mindful of the over rate penalty that will be applied once an innings extends beyond one hour and fifteen minutes.*

#### **TT5.12 NUMBER OF OVERS PER BOWLER:**

TT5.12.1 No bowler may bowl more than four overs.

#### **TT5.12.2 DELAYED START OR INTERRUPTED MATCH:**

TT5.12.2.1 Where the overs are reduced for both sides or for the side bowling second, no bowler may bowl more than one-fifth of the total overs allowed (unless such a number has been exceeded before the interruption), except that where the total overs are not divisible by

five, an additional over shall be allowed to the minimum number of bowlers necessary to make up the balance.

Example 1: Overs are reduced to 13 per side. Three bowlers may bowl a maximum of 3 overs.

Example 2: After 8 overs, rain interrupts play and the innings is reduced to 12 overs. Both opening bowlers have bowled 4 overs. Two bowlers can bowl 3 overs and three bowlers can bowl 2 overs. Bowlers 1 and 2 have already exceeded this limit. They count as the two bowlers who were allowed the extra over (3 as opposed to 2) and so any other bowlers are limited to 2 overs.

TT5.12.2.2 When an interruption occurs mid-over and on resumption the bowler has exceeded the new maximum allocation, he will be allowed to finish the incompleting over.

TT5.12.2.3 In the event of a bowler breaking down and being unable to complete an over, the remaining balls will be bowled by another bowler. Such part of an over will count as a full over only in so far as each bowler's limit is concerned.

### **TT5.13 THE RESULT:**

TT5.13.1 The team making the higher score in each tie, taking into account any use of the Duckworth Lewis Stern Method, shall be the winners.

TT5.13.2 INTERRUPTIONS IN PLAY;

TT5.13.2.1 **If a minimum of 5 overs** has been completed in the 2<sup>nd</sup> innings, and there is no further play, the DLSMM shall record a new suspension break in the PCS App stating "zero overs remaining". This will give a new RFIT which will determine the result.

TT5.13.2.2 The game is automatically abandoned when the total number of overs available for the 2<sup>nd</sup> Innings drops **below 5 overs** (provided a result has not previously been reached).

TT5.13.3 Should the scores be level in the semi-finals or Final, the winners shall be determined by reference to the following criteria in order of priority:

1. The team losing fewer wickets per over.
2. The team with the higher number of sixes per over.
3. The team with the lesser number of extras per over.

### **TT6 UMPIRES**

**TT6.1** For all ties, 50% of standard all inclusive expenses as detailed in Rule L10.5.1.1 (Calculated to the nearest £1.00 above), shall be paid to each umpire (*For 2023: £29*).

**TT6.2** In any extended tie additional travelling expenses shall be paid for each further day that the umpires are in attendance.

**TT6.3** For ties up to and including the semi-final the *hosting* club will be liable for the payment of the umpires.

**TT6.4** The Executive shall be responsible for all costs in the Final, and for the provision and presentation of suitable mementoes to the appointed umpires.

## **TT7 TROPHIES**

**TT7.1** The team winning the Competition shall receive the T20 Trophy and are entitled to hold it until the 1<sup>st</sup> July of the following season.

TS2.2.2 RESERVE DATE: If a result is not achieved on the Reserve Date, the tie will be rescheduled for the following Tuesday.

### **TS2.2.3 SEMI-FINALS**

TS2.2.3.1 Both semi-finals shall be played on a single Sunday, as allocated by the Match Secretary, and commence at 2.00pm. They will take place on the same date as T20 Trophy semi-finals.

## **TS3 PLAYER ELIGIBILITY**

### **TS3.1 IN SEASON REGISTRATIONS:**

Eligibility to play in the Competition shall be as per Sykes Cup Rule C3.2.3 - three prior League or Cup/Shield matches played.

## **TS4 MATCH PROCEDURES - GROUND MARKINGS AND EQUIPMENT**

### **TS4.1 THE PLAYING PITCH:**

The playing pitch shall be sited as near as possible to the centre of the ground, that may not necessarily be the centre of the playing square, as ground conditions will allow.

### **TS4.2 FIELDING ZONE:**

A fielding zone shall be drawn on the field of play. This shall consist of two semi circles having as their respective centres each middle stump and joined by a parallel line on each side of the pitch. The radius of each of the circles shall be 30 yards but where any part of this zone would impinge within 5 yards of the boundary line then it shall be drawn at that limitation. The perimeter of the fielding zone shall be marked by a series of white discs which, to maintain uniformity, shall be purchased from the League.

### **TS4.3 MATCH BALLS:**

Each team shall use its own new pink ball, of a brand and grade approved by the Executive, and purchased from the League. Spare balls should also be pink, and although not new, should be approved by the League, and of acceptable quality.

### **TS4.4 COLOURED CLOTHING:**

TS4.4.1 The use of coloured clothing is optional.

TS4.4.2 The League directive on clothing advertising shall apply, and numbers and/or names may be used on the back of shirts.

TS4.4.3 Should advertising, numbering and/or names be used, all eleven players in the team shall be attired in the same clothing design.

### **TS4.5 SIGHT SCREENS & STUMPS:**

TS4.5.1 Sight screens shall be white.

TS4.5.2 Coloured stumps and bails are optional.

## **TS5 MATCH PROCEDURES - PLAYING CONDITIONS AND RESULTS**

### **TS5.1 MATCH CONDUCT:**

All matches shall be conducted in accordance with the Laws of Cricket, including the Spirit of Cricket and all ECB Directives, Guidelines & Regulations, with the exception of MCC Law 42.1.4 where the batsman at the wicket may deputise for their captain, except as otherwise provided by this Rule.

### **TS5.2 THE TOSS:**

Captains shall toss for the choice of innings ten minutes before the scheduled start of the tie and if a team is unable to toss at this time it shall forfeit the right of that choice.

### **TS5.3 LENGTH OF INNINGS:**

TS5.3.1 In an uninterrupted tie each team shall bat for 20 complete overs unless all out earlier or a result is reached.

TS5.3.2 There shall normally be two sessions of play of one hour and fifteen minutes each, separated by an interval of ten minutes.

#### **TS5.4 OVER RATE PENALTY:**

*TS5.4.1 Should the bowling team fail to complete the scheduled 20 overs in the time allocated of one hour and fifteen minutes, of actual playing time (any time lost due to injury or other unforeseen incidents are not to be included as playing time), from the start of the next new over a minimum of five fielders (plus the bowler and the wicketkeeper) must be inside the fielding zone for the remainder of the innings.*

TS5.4.2 If the innings is interrupted, as specified in Rule TS5.6 the over-rate penalty will apply based on the re-scheduled cessation time for that innings. The time allowed shall be reduced by 7 minutes for every two overs deducted.

#### **TS5.5 THE INTERVAL:**

Between innings, and at the request of the captain of the team batting second, the host club shall be responsible for the sweeping and rolling of the pitch and the remarking of the creases.

#### **TS5.6 DELAYED OR INTERRUPTED TIES:**

##### **TS5.6.1 DELAYED START:**

TS5.6.1.1 For a delayed start 1 over per side will be deducted for every 6 minutes lost up to a **minimum of a 5 overs per side match**. This shall not apply in the Final unless the tie cannot be completed within the agreed time frame.

TS5.6.1.2 In circumstances where, before the commencement of play, the prospect of inclement weather or bad light is a consideration umpires may reduce the number of overs as above.

##### **TS5.6.2 INTERRUPTED GAMES:**

###### **TS5.6.2.1 Time Lost in the game**

TS5.6.2.1.1 For all interruptions due to ground and/or weather conditions the umpires should note the time lost during any suspension period.

TS5.6.2.1.2 In a game in ROUNDS 1 & 2 and the QUARTER-FINAL, interrupted by ground and/or weather conditions the Duckworth Lewis Stern method shall be implemented. THERE SHALL BE NO WAIVER TIME. The amount of time lost in each suspension period to be known as "relevant time lost", shall determine a revision to the number of overs remaining in the game.

TS5.6.2.1.3 In a SEMI-FINAL interrupted by ground and/or weather conditions for MORE THAN 30 MINUTES accumulated time (THE WAIVER TIME) the Duckworth Lewis Stern method shall be implemented. The amount of time lost in each suspension period to be known as "relevant time lost", shall determine a revision to the number of overs remaining in the game.

TS5.6.2.1.4 In the FINAL Rule TS5.6.2.1.3 shall apply, together with any special on-day regulations determined by the Executive.

TS5.6.2.1.5 The umpires shall inform the DLSMM of the number of overs lost during any suspension period before any recommencement of play. The DLSMM will record a new Suspension Period in the PCS App and, if the 1st innings is complete calculate the Revised First Innings Total (RFIT)

**TS5.6.2.2 Interruptions in 1<sup>st</sup> Innings:**

For every full 6 minutes of any relevant time lost, 1 over shall be deducted from both innings up until the scheduled completion of the first innings. After this, overs will be deducted as in Rule TS5.6.2.3 below.

**TS5.6.2.3 Interruptions in 2<sup>nd</sup> Innings:**

For every full 6 minutes of any relevant time lost 2 overs shall be deducted from the 2<sup>nd</sup> innings.

**TS5.6.2.4 Mid Over interruptions in play:**

In a game interrupted in mid over by ground and/or weather conditions and resumption is within the same innings then the over in progress shall continue unless that part over is the only one remaining in the innings. In the latter case that innings shall be closed and if that were the 1<sup>st</sup> innings the length of the 2<sup>nd</sup> innings would be equal to the number of full overs played in the 1<sup>st</sup> innings.

TS5.6.2.5 Any revised 1<sup>st</sup> innings total should be posted on the scoreboard, and checked by the umpires before play commences.

**TS5.7 RESTRICTIONS ON THE PLACEMENT OF FIELDERS:**

TS5.7.1 A fielding zone shall be drawn on the field of play as per Rule TS4.2.

**TS5.7.2 "POWER PLAY OVERS":**

TS5.7.2.1 For the first 6 overs of each innings only 2 fielders shall be permitted outside the zone at the instant of delivery. In the event of any infringement, the umpire at square leg shall call and signal "no ball"

TS5.7.2.2 In circumstances where the number of overs is reduced for either team, the fielding restrictions shall be as follows:

Total overs in innings	20-19	18-15	14-12	11-9	8-5
Fielding restriction overs	6	5	4	3	2

If on any resumption of play the number of overs for the restrictions has been exceeded, then the above should take effect immediately.

TS5.7.3 For each over following the sixth over, except as in Rule TS5.7.2.2 above, a minimum of 4 fielders (plus the bowler and the wicketkeeper) must be inside the fielding zone at the instant of delivery. In the event of any infringement the umpire at square leg shall call and signal "no ball".

TS5.7.4 At any time during the innings there shall be no more than 5 fielders on the leg side at the instant of delivery. In the event of any infringement the umpire at square leg shall call and signal "no ball".

**TS5.8 "TIMED OUT":**

The Law of Cricket 40, timed out, shall apply except that the incoming batsman must be in a position to take guard, or for his partner to receive the next ball, within 90 seconds of the fall of the previous wicket. This amendment shall be strictly applied.

### **TS5.9 "LEG SIDE WIDE":**

All deliveries passing wide of the leg stump, and outside the line of the batsman's body, that do not come into contact with the bat or any part of the batsman's person, shall be called WIDE.

### **TS5.10 NO BALL:**

TS5.10.1 The Laws of Cricket 21.15, shall apply except that the **penalty for a no ball shall be two runs.**

TS5.10.2 The delivery following a no ball called for a foot fault (The Laws of Cricket 21.5) shall be a free hit, for whichever batsman is facing.

TS5.10.3 If the delivery for a free hit is not legitimate (no ball or wide) then the next hit also becomes a free hit, for whichever batsman is facing.

TS5.10.4 The fielding team is not allowed to change the field for a free hit, if the same batsman (who received the original no ball) is on strike.

TS5.10.5 For any free hit the striker may only be dismissed under the circumstances that apply for a no ball, even if the free hit delivery is a wide ball. All such penalties are in addition to any runs that may be scored otherwise.

### **TS5.11 BOWLER'S RUN UP:**

*Bowlers run ups are not restricted. However, players should be mindful of the over rate penalty that will be applied once an innings extends beyond one hour and fifteen minutes.*

### **TS5.12 NUMBER OF OVERS PER BOWLER:**

TS5.12.1 No bowler may bowl more than four overs.

TS5.12.2 DELAYED START OR INTERRUPTED MATCH:

TS5.12.2.1 Where the overs are reduced for both sides or for the side bowling second, no bowler may bowl more than one-fifth of the total overs allowed (unless such a number has been exceeded before the interruption), except that where the total overs are not divisible by five, an additional over shall be allowed to the minimum number of bowlers necessary to make up the balance.

Example 1: Overs are reduced to 13 per side. Three bowlers may bowl a maximum of 3 overs.

Example 2: After 8 overs, rain interrupts play and the innings is reduced to 12 overs. Both opening bowlers have bowled 4 overs. Two bowlers can bowl 3 overs and three bowlers can bowl 2 overs. Bowlers 1 and 2 have already exceeded this limit. They count as the two bowlers who were allowed the extra over (3 as opposed to 2) and so any other bowlers are limited to 2 overs.

TS5.12.2.2 When an interruption occurs mid-over and on resumption the bowler has exceeded the new maximum allocation, he will be allowed to finish the incompleting over.

TS5.12.2.3 In the event of a bowler breaking down and being unable to complete an over, the remaining balls will be bowled by another bowler. Such part of an over will count as a full over only in so far as each bowler's limit is concerned.

### **TS5.13 THE RESULT:**

TS5.13.1 The team making the higher score in each tie taking into account any use of the Duckworth Lewis Stern Method, shall be the winners.

#### **TS5.13.2 INTERRUPTIONS IN PLAY;**

TS5.13.2.1 **If a minimum of 5 overs** has been completed in the 2<sup>nd</sup> innings, and there is no further play, the DLMM shall record a new suspension break in the PCS App stating "zero overs remaining". This will give a new RFIT which will determine the result.

TS5.13.2.2 The game is automatically abandoned when the total number of overs available for the 2<sup>nd</sup> Innings drops **below 5 overs** (provided a result has not previously been reached).

TS5.13.3 Should the scores be level in all ties, the winners shall be determined by reference to the following criteria in order of priority:

1. The team losing fewer wickets per over.
2. The team with the higher number of sixes per over.
3. The team with the lesser number of extras per over.

### **TS6 UMPIRES**

**TS6.1** For all ties, 50% of standard all inclusive expenses as detailed in Rule L10.5.1.1 (Calculated to the nearest £1.00 above) shall be paid to each umpire (*For 2023: £29*).

**TS6.2** In any extended tie additional travelling expenses shall be paid for each further day that the umpires are in attendance.

**TS6.3** For ties up to and including the semi-final the *hosting* club will be liable for the payment of the umpires.

**TS6.4** The Executive shall be responsible for all costs in the Final, and for the provision and presentation of suitable mementoes to the appointed umpires.

### **TS7 TROPHIES**

**TS7.1** The team winning the Competition shall receive the T20 Shield and are entitled to hold it until the 1<sup>st</sup> July of the following season.

**TS7.2** Both finalists shall each be presented with 13 individual trophies.

**TS7.3** A special award shall be presented to the individual who is adjudged to have been the player of the Final.
