

Overseas players and the Home Office Immigration Rules

01/02/2022

The United Kingdom's immigration arrangements for Professional Sportspersons seek to strive a balance between ensuring that UK sports can access top end talent that will enhance sport in the UK, whilst at the same time protecting opportunities for resident players and supporting the grassroots sport.

There is one policy which ALL sports must adhere to. It is not the prerogative of the Home Office to provide entry mechanisms for all levels of players, to play sport in the UK.

For immigration purposes a player from overseas will fall into 1 of 3 groups. If a player falls into group 2 then they will not be eligible to play sport here, paid or unpaid.* The table below has been created to help you to understand what group your player falls into.
