Without agreement from

all parties the status quo will prevail. Umpires' Expenses will remain unchanged in a reduced over game.

L8.18.5 Any revised 1st innings total should be posted on the scoreboard, and checked by the umpires before play commences.

L8.18.6 The game is automatically abandoned when the total number of overs available for the 2nd Innings drops below 20 overs (provided a result has not previously been reached).

L8.18.7 If a minimum of 20 overs has been completed in the 2nd innings, and there is no further play, the DLSMM shall record a new suspension break in the PCS App
